LAT/LONG: 43.9640943,-112.2639656

43.9509896,-112.2557731

**DIRECTIONS:** I-15 Exit #150; E 0.4 mi to Hamer; at T intersection, L (N) for 3 mi; L (W) onto E 2350 N; cross I-15 on overpass; enter Camas NWR in 2 mi; park at refuge office; pick up bird list and map on information board; bird many footpaths near office; paved trail leading to observation deck can be accessed at N edge of parking lot.

One of the best places in Eastern Idaho to see birds! The Refuge is primarily a waterfowl and waterbird refuge, but also supports sagebrush-steppe fauna. A variety of migratory and non-migratory bird species can be seen. Over 300 species of birds have been identified on the Refuge over the years. Some of the best songbird migrant viewing in the state can be found around the Refuge Headquarters.
